

WJW.

DEPARTMENT OF THE INTERIOR
UNITED STATES GEOLOGICAL SURVEY

WASHINGTON D. C.,

June 30, 1886.

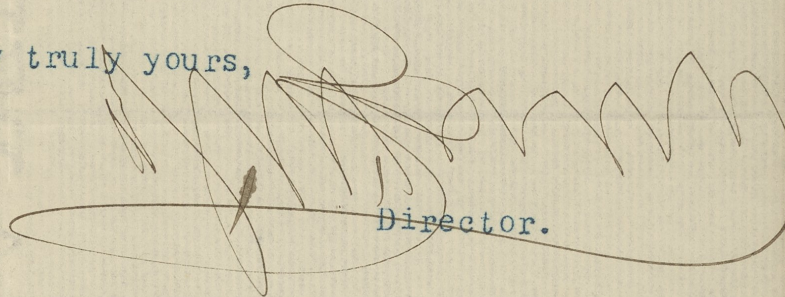

Jas. C. Booth,
U. S. Mint,
Philadelphia, Pa.

Dear Sir:

Your obliging note of yesterday relating to your important contribution to our proposed History of American surveys has just reached my desk and I have pleasure in assuring you that we can await your convenience in completing the sketch without material sacrifice.

Believe me to remain,

Very truly yours,

Director.
